19976 Ridgecrest Way

One of the originals! Ten years into the development of beautiful Pine Mountain Lake, this classic Chalet was built. Well maintained and still fresh. Wood beams and the attention to classic mountain home details. Choice views toward the lake and the heavens above. Newer detached double car garage and extra boat parking are feature players. Tucked out of sight it will always be in your mind! Lots of wood work, cultured stone fireplace (gas insert) upstairs and parlor stove downstairs. Some up-dating inside and new exterior paint. All appliances included. Call on this one today!
